stories of physics and women scientists

## EPISODE II

## NOISES

*Quanta, particles, and the cosmos:  
three researchers listen to noise and tell us about it*

The "E. Fermi" Department of Physics will host the second event in the series Refractions: Stories of Physics and Women Scientists, organized by the Gender Policies Working Group. The event, which combines science, literature, music, and visual arts, will be held on Wednesday, March 18, 2026, at 4:45 p.m. in the Gerace Hall, Department of Computer Science, University of Pisa - Largo B. Pontecorvo 3 Ed. C II floor. A light aperitif will be offered at the end of the event.
